Folding Rulers

ZF8765

Desc: Fiskars Folding Ruler
Size: 6" x 24"
Pack: Each

The 6" x 24" ruler folds to a third of its size for a portable measuring tool that allows you to make long cuts without the bulk of a regular ruler. A sturdy, convenient design makes it easy to cut fabric strips right from the bolt, while the ruler's folded 6" x 8" position is great for smaller cuts and storage. Plus, 30-, 45- and 60-degree angle lines simplify angle cutting.

ZF8768

Desc: Fiskars Folding Ruler
Size: 8"
Pack: Each

Or try the 8" folding square ruler. Simply square off corners and cut half-square triangles, rectangles or squares from 1" to 8" without fabric waste. This sturdy acrylic ruler folds in half for more options and features a built-in 1/4" seam allowance for easy measuring. The clear, durable hinge allows both rulers to lie perfectly flat for exact alignment.

ZF5130

Desc: Rotary / Ruler Combo
with blade change technology

Size: 6" x 24"

Pack: Each

These rotary cutter and ruler combinations are specifically designed to cut multiple layers. The rotary cutter with a ruler attached makes measuring and cutting fabric easier than ever.

Great for beginners, the unique design of this tool makes cutting perfect shapes from fabric a breeze — since you're not managing two tools separately, you don't have to struggle with a misaligned ruler or worry about holding the rotary cutter straight.

It includes a 45mm spring-action rotary blade that makes clean cuts through multiple layers of fabric and an ergonomic blade carriage that makes cutting smooth and easy. The ruler features a bold grid that is printed on both sides for right- or left-handed use, plus highlighted numbers for excellent visibility on light or dark fabric. The unique rail design prevents lint build up as you work. The no-touch magnetic blade change system makes blade change safe and easy while storing used blades, and a carrying handle offers easy, convenient transportation.

HeatnBond Featherlite

WT3531	Featherlite Bolt
Size:	43cm
Unit:	35 Yard Bolt
Pack:	1

HeatnBond® FeatherLite is a paper backed, iron-on, sewable, double-sided adhesive for bonding fabric without extra weight or stiffness.

This lightweight formula is great for multi-layer pieces, landscape quilts, and wearables since it gets even softer after laundering. Use it in place of pinning or basting for appliqué shapes on quilts, wall hangings and attire. Draw directly on the paper backing to easily design appliqué pieces!

- Heat activated
- Permanent, double-sided adhesive
- Solid sheet adhesive on a paper backing
- For use on fabric
- Doesn't gum up needles!
- Eliminates pinning!

HeatnBond Pressing Paper

Pressing Paper protects your projects from the hot iron (and your iron from accidental exposure to adhesive!). See through and reusable...just roll it up and store it until your next project!

- Reusable, Transparent and Non-stick
- For use on fabrics & crafts
- Safe for irons
- Protects projects
- Protects work surfaces

HeatnBond Quilters Edge Lite

HeatnBond Quilter's Edge Lite has the strongest bonding power of any lightweight adhesive you can buy without adding extra weight or stiffness.

- Specifically formulated for use with light to medium weight fabrics
- For smaller projects with a no-sew "quilted look".
- Ideal for appliques, quilts and other sewable lightweight craft projects.
- Eliminates pinning.
- Once applied, it can be easily sewn through.
- May be safely machine washed after edges have been sewn or sealed.
- Needles won't gum up.

HeatnBond® Iron-on Vinyl is flexible, with a water resistant coating that you iron onto the top of your fabrics to protect them. Use Iron-On Vinyl to make your own laminated fabrics and create placemats, tote bags, chair seat covers, aprons, children's art smocks and more!

- Heat activated
- Permanent
- Sewable with regular or non-stick foot.
- Fusible only on one side
- For use on fabric or paper
- UV Resistant, Water Repellent material
- Paper liner is used to protect the vinyl during ironing.
- Great for creating aprons, art smocks, table cloths, placemats, tote bags, make-up bags, diaper bags, seat covers and more.
- *Iron-on Vinyl is NOT adhesive. If you need adhesive please use HeatnBond Lite or Ultrahold.

Mary Ellen's Best Press is a clear, crisp spray starch with a lovely scent that actually makes ironing more enjoyable.

No more mixing starch with water or environmentally-unfriendly aerosol cans that get clogged. 'Best Press The Clear Starch Alternative' is a clear and fragrant miracle starch that doesn't clog, flake, or leave a residue - even on dark fabrics.

A special stain shield protects fabrics, and the product helps resist wrinkles. Best of all, it's more effective than any starch you've ever used. Try Best Press today- you will never go back to ironing with spray starch!

Also the clear, non-aerosol spray bottle lets you see how much is left.
